

## Downlight LED

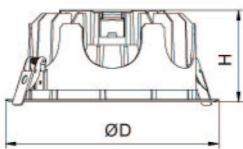

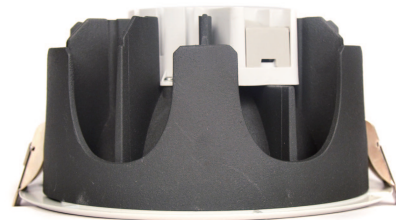

### Advantages

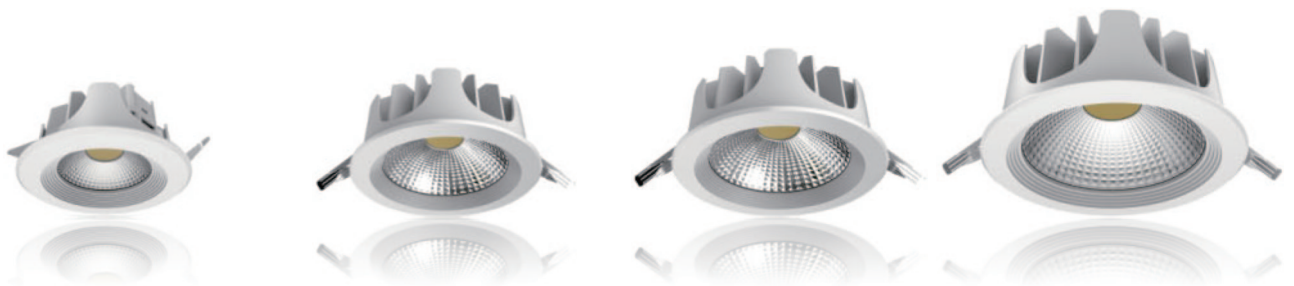

- Efficient generation of whitelight-low energy consumption
- Extremely long life
- Equipped with high-efficiency COB LEDs
- No UV and no IR in the light beam

### Applications

- Ideal for indoor:
- Direct replacement Quintessence CFL Downlight
- Ra: >80
- Protection rating: IP20
- Power factor:>0.9
- Lifetime: 30,000 Hours
- CCT: 3000/4000/6000
