

## Worklight LED rechargeable

### 6641SMD

LED: 5050 SMD \* 18, 3 watts  
Comes with a retractable hook  
Ergonomic contoured handle grip and rubberised housing finish  
Super bright 250 lumens  
Charging and fully charged indicator LED's on the wall charger  
On/off switch  
Magnetic back for hand-free application  
Precise reflector mirror

### 6640SCOB

LED: 3 watt COB  
Tough and robust polycarbonate construction.  
Water Proof IP65  
Belt Clip with hook  
APC technology adopted and automatic shut off at low voltage for battery protection  
Strong light output around 300 lumens  
Compact design 210mm

### 6642COB

COB LED: 3 watts  
Highly transparent polycarbonate lens  
High capacity lithium battery for long time operation  
Magnetic back for hand-free use  
Flexible standing arm with magnet for multi-angle lighting purposes  
Strong light output 300 lumens  
Comes with two retractable hooks.  
Rubberised housing finish for anti-slip carrying

### 6644COB

High transparent polycarbonate lens and anti-crash PVC handle grip  
600-lumen light output  
Splash-proof and shatter-resistant, IP 65  
Comes with a integral swivel hook  
Colour temperature: 5500K  
Dimensions: lamp: 64\*64\*500MM  
Power cable:  
HO5RNF2\*1.0MM2\*5m  
Net weight: 390g

Model	Power supply Type	Materials	Battery Type	Rated Input voltage	Battery (Amp/Hour)	AC/DC adaptor	Charging Time	Continuous operation	Power rate
6640 SCOB	Rechargeable	PC housing+nylon belt clip	Rechargeable Lithium-Ion	3.7V	18650*2 3000mAh	100V-240V 50-60Hz; 12VDC 500mA	4 Hrs	3.5hrs after a full charge	-
6641 SMD	Rechargeable	ABS+polycarbonate	Lithium rechargeable battery	3.7V	18650*2 2000mAh	100V-240V 50-60Hz; 5VDC 500mA	4.5 Hrs	3hrs after a full charge	-
6642 COB	Rechargeable	ABS+high-transparency polycarbonate lens	Rechargeable Li-ion battery	-	18650*2 3600mAh	100V-240V 50-60Hz; 12VDC 500mA	4 Hrs	3.5hrs after a full charge	-
6644 COB	AC	soft PVC+high-transparency polycarbonate lens	-	-	-	100-250V	-	-	8 watts
